Dear Dad,

Mar 3, 1963

Had a nice service here this
A.M. and dinner together with
Mildred's sister Rena.

The weather has been a little
on the cool side but so much
better than in N.E. as to make
us glad we are here - Have
had many days when it
was comfortable to sit outside
in the sun -

Will be on the way home
Mar. 21. Hope you have been as
well as usual this winter -

Love Mildred & Roger.
